**Approval and Adoption of FY 2018-2019 Budget**

Ms. Kanalos advised that Public Act 281 of 1986 requires the LDFA Director to submit a budget for the operation of the City of Detroit Local Development Finance Authority (the “LDFA”) to the City Council for its approval prior to adoption by the LDFA Board.

On June 6, 2018, LDFA staff submitted the attached LDFA operating budget for FY 2018-2019 (the “18-19 Operating Budget”) to City Council for approval prior to its adoption by the LDFA Board.

On June 19, 2018, the City Council approved the LDFA budget, which is being submitted to the LDFA Board for adoption subsequent to such approval.

Staff is also seeking LDFA Board approval of the LDFA program budget for FY 2018-2019 (the “18-19 Program Budget”).
A resolution approving and adopting the 18-19 Operating Budget and approving the 18-19 Program Budget was included in the Board material for consideration and approval.

Subsequent to a discussion, the Board took the following action:

On a motion by Mr. Jenkins, seconded by Ms. Clark-Coleman, Resolution Code LDFA 18-06-01-139 was unanimously approved.

Amendment/Extension to the FY 2018-2019 LDFA/DEGC Professional Services Agreement

Ms. Kanalos stated that in July 1995, the City of Detroit Local Development Finance Authority (the "LDFA") entered into a Professional Services Agreement (the "Agreement") with the Detroit Economic Growth Corporation (the "DEGC") for provision by the DEGC of administrative services on behalf of the LDFA. This Agreement was last amended in July 2017 to extend its term to June 30, 2018.

Included in the Board material for review as Exhibit A, is the FY 2018-2019 Amendment/Extension to the LDFA/DEGC Professional Services Agreement Extension (the "Amendment")

Also included for the Board's review and approval is a resolution approving the proposed Amendment.

The current Officers are as follows:

Felicia Venable, Secretary
Vacancy, Treasurer

Staff proposes that the Chairperson open the floor to nominations.

On a motion by Ms. Clark-Coleman, seconded by Ms. Brown, Resolution Code LDFA 18-06-01-141 was unanimously approved.
Schedule of LDFA Regular Meetings for FY 2018-2019

Ms. Kanalos stated that included in the Board material for review and approval is a resolution adopting a schedule indicating dates for the LDFA Board’s Regular meetings for the fiscal year 2018-2019. Ms. Kanalos noted that a time change to 9:30 a.m. is proposed. The proposed schedule of regular meetings for the LDFA Board of Directors’ for its fiscal year beginning July 1, 2018 and ending June 30, 2019 is the fourth Tuesday of October and June at 9:30 a.m. in the offices of the Detroit Economic Growth Corporation, 500 Griswold Street, Suite 2200, as follows:

On a motion by Mr. Dickow, seconded by Mr. Jenkins, Resolution Code LDFA 18-06-01-142 was unanimously approved.

Election of Officers

Ms. Jensen advised Ms. Forte that the Board needs to elect a Treasurer. Ms. Forte opened the floor to nominations. Ms. Clark-Coleman suggested asking for a volunteer and Mr. Ahmed volunteered to serve in the capacity of Treasurer.

On a motion by by Ms. Clark-Coleman, seconded by Ms. Brown, Resolution Code LDFA 18-06-01-141 was unanimously approved, as amended.

Debt Service Coverage Projections

Ms. Kanalos reviewed the table which was included in the Board agenda book noting that the current projections show a shortfall of $10,391,000. We have a balance in the debt reserve funds of $8,599,559 so there is a projected deficit at the end of the term of $1,792,000. She asked the Board to keep in mind that these are just projections. Anything can happen in revenues--assessments can go up or we could receive more tax increment financing revenues than projected.

Ms. Forte asked if nothing happened, what are the options for resolving the potential deficit. Mr. Ecklund responded that we are servicing the debt currently. We are releasing these numbers in your audited financials each year so the market is definitely aware of it. This is an issue coming into that final year of debt payment. As you look at your taxable value, you can kind of see what the trend has been. I don't think you are going to see the answer as the taxable value goes up so you can capture that deficit. So that would be something that you would be looking to your parent incorporator to help you service. This will be something over the next three years that will need to be addressed with the City of Detroit. Whether they want to bite it all off at the very end or if they want to start putting something away each year, that is an internal financial choice. Currently, you are getting enough from the State which you are capturing to service the debt.

Ms. Forte questioned how and when does this come before the parties so that they can start to strategize. Mr. Ecklund stated that it is never too soon to begin to strategize. Mr. Long advised that we have had discussions with the City’s Finance Department and we are trying to identify a
plan B. Basically, the thought process here is to identify another source of economic development funds to utilize to make up the gap, and we have some candidates for that. Another option would be to extend the Plan. Obviously, we don’t want to end up with a default and will look at all options. Staff will continue to work with the City Finance staff to try to finalize this. Ultimately, if we are able to identify other sources of economic development funds, this Board will be asked to reprogram fund, to accept funds, from another economic development entity, possibly in the form of a grant, or possibly in the form of a loan. Again, we can extend the program another year if necessary. We will have some kind of official “Plan B” by October.

**Report of Actions Taken Under the Delegation of Authority**

Ms. Kanalos advised that in April 2006, the Board approved a Delegation of Authority resolution allowing staff to enter into contracts under $50,000. On June 13, 2018, staff entered into a contract with Grace Management Services for the maintenance of the St. Jean Berm landscape for the summer in the amount of $6,500. This report was for the Board’s information only and no action was taken.
